United Way of Yellowstone County

Two full year VISTA members served from 2009 to 2011 focusing on the following initiatives:

- Volunteer Income Tax Assistance Programming
- Volunteer Recruitment & Training
- Fund Development
- Marketing
- Community Outreach

QUICK FACTS:

- Over \$87,000 generated
- 238 volunteers recruited & trained
- 8 new or expanded services developed

VISTA members were responsible for recruiting and training volunteers to assist with the Volunteer Income Tax Assistance Program.

This program is a great resource that is free for low income individuals to successfully file their taxes each year. Without the volunteers recruited by the VISTA members, it would have been much more difficult to serve the great number of people coming in for assistance.
